

Dear 5th Grade Parents,

The following is a list of school supplies which your child will need for their 5th grade year at PPPCS. Additional supplies may be required during the school year as supplies run low. Please send ALL of these supplies and money for folders to school within the first two weeks. Students will be keeping some of the materials with them throughout the year and **the rest will be sorted into the classroom supplies or given to a Specials teacher for the school year**. Any materials purchased that are not on this list can be used at home. Please email or call us with any questions or concerns!
